B12 CLARINET

THE LEGEND RETURNS

More than 30 years ago the B12 clarinet introduced a generation of students to the rich sound of Buffet clarinets. Immediately establishing a reputation for accessible quality, the B12 became the market leader across Europe, the United States, Australia, and Asia.

Today, in 2025 as Buffet Crampon celebrates its 200th anniversary, the B12 legend returns. Living up to its strong heritage, this highly affordable instrument retains the hallmark features that defined its predecessors. Its ABS body makes it both lightweight and durable, providing excellent handling for younger players. Unlike grenadilla wood, ABS is highly resistant to changes in humidity, making it ideal for use in all-weather. The nickel-plated, nickel silver keywork offers a strong, hard-wearing mechanism, and Valentino synthetic pads are perfectly suited to frequent use and passionate beginners. A stackable hard-plastic case, or a contemporary-styled gigbag will protect your B12.
